STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance to 37 C.F.R. § 1.133, submitted herewith is a record of the substance of the interview on March 15, 2006, between Examiner Stephen L. Rawlings, Michele Simkin and Chris Arthur, regarding the above-captioned application. This statement is being submitted within one (1) month of the mailing date of March 23, 2006, of the Interview Summary and is therefore a timely response.

The Examiner telephoned Ms. Simkin to explain that a printer query has been placed on the application due to the fact that the Declaration of the inventors was not legible. Ms. Simkin agreed to provide an application data sheet listing the inventor information, which was faxed by Ms. Arthur.

In further response to the printer query, Ms. Arthur verified for Examiner Rawlings that no assignment had been filed for the application.

Any further questions or correspondence regarding the present application should be directed to the undersigned.

Respectfully submitted,
